

CraneSignal Phone-First Vendor Call Sheet

Use: open the company website, call the best public phone number, ask for the right team, then offer a free Texas apartment maintenance-pain sample.

Opener: Hi, this is Drew with CraneSignal. We are mapping Texas apartment communities showing public maintenance pain signals. I pulled a few accounts your sales team may want. Who is the best person to send that to?
Best extra context: website, ask-for role, why they might care, first question, number confidence.

#	Tier	Company / website	Best phone	Ask for	Why they might care	First question
