

CraneSignal Phone-First Vendor Call Table

Use: open the website, call the best public phone number, ask for the right team, then offer a free Texas apartment maintenance-pain sample.

Opener: Hi, this is Drew with CraneSignal. We are mapping Texas apartment communities showing public maintenance pain signals. I pulled a few accounts your sales team may want. Who is the best person to send that to?

#	Tier	Company / Website	Summary	Best Phone	Ask For	Why They Might Care	First Question	Fallback / Note
1	A	AppWork appworkco.com	Multifamily maintenance work orders, inspections, make-readies, and technician workflows.	+1 347-909-1604 High	Sales / founder / revenue leader	They sell exactly into multifamily maintenance teams.	Do you sell into Texas multifamily operators today?	If routed to support, ask for sales or partnerships.
2	A	Leonardo247 leonardo247.com	Multifamily property operations, maintenance, risk, due diligence, and turn workflows.	877-995-3662 x513 High	Sales / enterprise sales / partnerships	They sell property operations and maintenance software to multifamily.	Would a sourced list of Texas properties with maintenance-risk signals help your sales team?	Use sales extension first; general extension is x500.
3	A	Maintenance Care maintenancecare.com	Apartment maintenance CMMS for work orders, preventive maintenance, and reporting.	888-222-0206 ext. 1 High	Sales / account executive	Clear apartment maintenance/work-order buyer.	Do you have reps prospecting apartment operators in Texas?	Use sales option.
4	A	zinspector zinspector.com	Property inspection software with tenant self-inspections and AI inspection reports.	+1 530-746-8178 Medium-high	Sales / partnerships	Inspection and condition data maps well to move-in and repair pain.	Would properties with inspection or move-in condition complaints be useful leads?	If support answers, ask who handles new business.
5	A	Latchel latchel.com	AI maintenance coordination, troubleshooting, dispatch, and after-hours support.	206-900-9466 High	Sales / growth / partnerships	They handle maintenance coordination, calls, troubleshooting, dispatch.	Do you want Texas operators showing public unresolved-maintenance pain?	Ask for the team handling property manager growth.
6	A	Lula lula.life	Maintenance coordination, vendor network, after-hours response, make-ready, and scheduling.	913-513-4480 High	Sales / partnerships	Maintenance coordination and vendor network fits urgent maintenance pain.	Would a list of Texas operators with visible maintenance backlog signals help?	Ask for property management sales.
7	A	TaskEstate taskestate.com	Work-order and property maintenance management for requests, vendors, assets, and inspections.	+1 619-752-4422 High	Founder / sales / partnerships	Smaller vendor, clear maintenance workflow fit.	Are you looking for more apartment maintenance software leads in Texas?	Small company: ask directly for the owner of sales.
8	A	SuiteSpot suitespot.ai	AI multifamily maintenance and capital operations software.	+1 647-797-1997 High	Sales / partnerships / revenue leader	AI multifamily maintenance and capital operations fit.	Would maintenance-pain evidence help you prioritize Texas accounts?	If no sales route, use info@suitespot.ai.
9	A	Property Meld propertymeld.com	Property maintenance automation for repair coordination and resident/vendor workflows.	+1 605-646-4102 Medium-high	Sales / partnerships	Very strong maintenance automation fit.	Do you want a few Texas properties where residents publicly complain about repairs?	Phone may route poorly; backup email support@propertymeld.com.
10	A	Mezo mezo.io	AI maintenance intake and automation for property operations.	+1 617-877-8802 Low-medium	Founder / sales / Property Meld contact	AI maintenance intake fit, but company/contact trail is weaker.	Who is the right person for AI maintenance sales lead data?	If number fails, route through Property Meld because Mezo was acquired.
11	B	BuildingLink buildinglink.io	Building operations platform with maintenance requests, vendor tools, assets, and resident services.	(877) 501-7117 High	Sales / multifamily sales	Building operations and maintenance requests.	Do you sell into apartment communities where resident operations are visibly strained?	US/Canada line.
12	B	VTS Activate Multifamily vts.com	Resident experience and building operations software for multifamily communities.	(844) 800-7109 Medium	Sales / multifamily team	Resident experience plus building operations.	Would maintenance plus resident-experience pain signals help your team?	Support/general line; ask for Activate Multifamily sales.
13	B	Livly livly.io	Resident app and property hub with payments, maintenance requests, packages, and move-in tools.	+1 773-673-9223 Medium-high	Sales / partnerships	Resident app with maintenance requests.	Do you prospect apartment communities with resident experience issues?	Backup support@livly.io.
14	B	Zego gozego.com	Resident workflow platform for payments, utilities, apps, move-ins, and maintenance requests.	1-866-729-5327 Medium	Sales / resident experience sales	Resident workflow and maintenance request system.	Do Texas resident-workflow pain signals help your prospecting?	Official support line; ask for sales.
15	B	SnapInspect snapinspect.com	Property inspection and maintenance workflow software with reports and photo documentation.	1 (888) 883-8046 High	Sales / partnerships	Inspection and property maintenance workflows.	Would inspection/move-in condition complaint leads be useful?	Backup contact@snapinspect.com.
16	B	MRI Software / MRI Angus missoftware.com	Enterprise building maintenance and property work-order management software.	+1 800 321 8770 High	MRI Angus sales / building maintenance sales	Enterprise building maintenance and work-order system.	Who handles lead data or partnerships for MRI Angus?	Large company: expect routing.
17	B	DoorLoop doorloop.com	Property management platform with maintenance, accounting, leasing, vendor payments, and AI handling.	+1-888-607-3667 High	Sales / partnerships	Broad PMS with AI maintenance/work orders.	Do you want Texas apartment operators with public maintenance complaints?	Backup USA number +1-786-373-5842.
18	B	Buildium buildium.com	Property management software with resident center, maintenance requests, and maintenance contact center.	877-396-7876 High	Sales / partnerships	PMS with maintenance requests and contact center.	Who reviews prospecting data partnerships for Buildium sales?	RealPage-owned, second wave.
19	B	ResMan myresman.com	Multifamily PMS with maintenance, resident portal, contact center, and AI resident assistant.	(888) 702-0971 High	Sales / partnerships	Multifamily PMS with maintenance and resident portal.	Would Texas operational-pain account lists help ResMan reps?	Texas-linked broad PMS.
20	B	AppFolio appfolio.com	Large property management platform with maintenance, resident service, communications, and AI ops.	866.648.1536 High	Sales / partnerships	Large PMS with maintenance and resident service.	Who handles sales intelligence or lead partnerships?	Large company; use after sample is strong.
21	B	Yardi Breeze yardibreeze.com	Property management software for residential, commercial, affordable, HOA, and other portfolios.	(800) 866-1144 High	Sales / partnerships	Large PMS serving residential portfolios.	Who reviews new account intelligence for Yardi Breeze sales?	Large company; likely hard to route.
22	B	Entrata Facilities entrata.com	Facilities app for maintenance teams to manage work orders and inspections.	1.800.700.2097 High	Facilities product sales / partnerships	Facilities app for maintenance work orders and inspections.	Would Texas properties with visible maintenance complaints be useful?	Backup sales@entrata.com.
23	B	SmartRent / SightPlan smartrent.com	Smart apartment and property operations tools including tasks, inspections, and resident service.	1 (833) 767-8736 High	Sales / SightPlan or operations sales	Smart operations, resident service, tasks, inspections.	Who handles sales data for property operations products?	Backup help@sightplan.com.
24	C	Facilio facilio.com	Enterprise connected CMMS and property operations platform for work orders and vendors.	+91 98848 02586 Low-medium	Sales / partnerships	Enterprise property operations; less apartment-specific.	Do you sell into US multifamily, or mostly commercial facilities?	Low priority unless they confirm multifamily.
25	C	FMX golmx.com	Facilities and maintenance management software for work orders, PMs, scheduling, and reporting.	+1 (844) 664-4400 High	Sales / property management vertical	Facilities and maintenance management.	Do you actively target apartment or property management companies?	Less apartment-specific.
26	C	Limble CMMS limblecmms.com	Broad CMMS for work orders, preventive maintenance, assets, QR codes, and technicians.	+1 (775) 210-5128 High	Sales / property management use case	Broad CMMS, lower apartment specificity.	Do you have a multifamily/property management vertical?	Only pursue if they say yes.
27	C	UpKeep upkeep.com	CMMS/work-order platform with property management and maintenance operations use cases.	+1 (323) 880-0280 High	Sales / property management use case	Broad CMMS with property management use case.	Do you have a team selling into multifamily or apartment operators?	Lower priority than apartment-native vendors.
28	C	MaintainX getmaintainx.com	Maintenance operations and work-order software for teams and facilities.	415-548-4001 High	Sales / property management use case	Broad maintenance ops software.	Do you sell into apartment maintenance teams or mostly industrial?	Lower priority unless they confirm multifamily.
29	C	HappyCo happy.co	Property operations software with AI maintenance automation, work orders, and inspections.	1-888-666-1855 Medium	Sales / multifamily maintenance sales	Good maintenance automation fit; support phone may route poorly.	Who handles new sales for HappyCo maintenance automation?	If support-only, find sales email/person later.
30	C	eWorkOrders eworkorders.com	Property maintenance CMMS for work orders, assets, vendors, inspections, and compliance.	(888) 333-4617 High	Sales / property management vertical	Property maintenance CMMS, not fully multifamily-specific.	Do you want property management maintenance leads in Texas?	Good second-wave call.

Confidence guide: High = official site/help/contact/terms. Medium = public app listing or support line. Low = third-party public listing, verify before repeated calls. Page is intentionally wide landscape so the last column is visible.
