

CraneSignal Phone-First Vendor Call Sheet

Use: open the website, call the best public phone number, ask for the right team, then offer a free Texas apartment maintenance-pain sample.

Opener: Hi, this is Drew with CraneSignal. We are mapping Texas apartment communities showing public maintenance pain signals. I pulled a few accounts your sales team may want. Who is the best person to send that to?

#1 Tier A

+1 347-909-1604

High confidence

AppWork

Website: appworkco.com

Ask for: Sales / founder / revenue leader

Why they might care: They sell exactly into multifamily maintenance teams.

First question: Do you sell into Texas multifamily operators today?

Fallback: If routed to support, ask for sales or partnerships.

#2 Tier A

877-995-3662 x513

High confidence

Leonardo247

Website: leonardo247.com

Ask for: Sales / enterprise sales / partnerships

Why they might care: They sell property operations and maintenance software to multifamily.

First question: Would a sourced list of Texas properties with maintenance-risk signals help your sales team?

Fallback: Use sales extension first; general extension is x500.

#3 Tier A

888-222-0206 ext. 1

High confidence

Maintenance Care

Website: maintenancecare.com

Ask for: Sales / account executive

Why they might care: Clear apartment maintenance/work-order buyer.

First question: Do you have reps prospecting apartment operators in Texas?

Fallback: Use sales option.

#4 Tier A

+1 530-746-8178

Medium-high confidence

zInspector

Website: zinspector.com

Ask for: Sales / partnerships

Why they might care: Inspection and condition data maps well to move-in and repair pain.

First question: Would properties with inspection or move-in condition complaints be useful leads?

Fallback: If support answers, ask who handles new business.

#5 Tier A

206-900-9466

High confidence

Latchel

Website: latchel.com

Ask for: Sales / growth / partnerships

Why they might care: They handle maintenance coordination, calls, troubleshooting, dispatch.

First question: Do you want Texas operators showing public unresolved-maintenance pain?

Fallback: Ask for the team handling property manager growth.

#6 Tier A

913-513-4480

High confidence

Lula

Website: lula.life

Ask for: Sales / partnerships

Why they might care: Maintenance coordination and vendor network fits urgent maintenance pain.

First question: Would a list of Texas operators with visible maintenance backlog signals help?

Fallback: Ask for property management sales.

#7 Tier A

+1 619-752-4422

High confidence

TaskEstate

Website: taskestate.com

Ask for: Founder / sales / partnerships

Why they might care: Smaller vendor, clear maintenance workflow fit.

First question: Are you looking for more apartment maintenance software leads in Texas?

Fallback: Small company: ask directly for the owner of sales.

#8 Tier A

+1 647-797-1997

High confidence

SuiteSpot

Website: suitespot.ai

Ask for: Sales / partnerships / revenue leader

Why they might care: AI multifamily maintenance and capital operations fit.

First question: Would maintenance-pain evidence help you prioritize Texas accounts?

Fallback: If no sales route, use info@suitespot.ai.

#9 Tier A

+1 605-646-4102

Medium-high confidence

Property Meld

Website: propertymeld.com

Ask for: Sales / partnerships

Why they might care: Very strong maintenance automation fit.

First question: Do you want a few Texas properties where residents publicly complain about repairs?

Fallback: Phone may route poorly; backup email support@propertymeld.com.

#10 Tier A

+1 617-877-8802

Low-medium confidence

Mezo

Website: mezo.io

Ask for: Founder / sales / Property Meld contact

Why they might care: AI maintenance intake fit, but company/contact trail is weaker.

First question: Who is the right person for AI maintenance sales lead data?

Fallback: If number fails, route through Property Meld because Mezo was acquired.

#11 Tier B

(877) 501-7117

High confidence

BuildingLink

Website: buildinglink.io

Ask for: Sales / multifamily sales

Why they might care: Building operations and maintenance requests.

First question: Do you sell into apartment communities where resident operations are visibly strained?

Fallback: US/Canada line.

#12 Tier B

(844) 800-7109

Medium confidence

VTS Activate Multifamily

Website: vts.com

Ask for: Sales / multifamily team

Why they might care: Resident experience plus building operations.

First question: Would maintenance plus resident-experience pain signals help your team?

Fallback: Support/general line; ask for Activate Multifamily sales.

#13 Tier B

+1 773-673-9223

Medium-high confidence

Livly

Website: livly.io

Ask for: Sales / partnerships

Why they might care: Resident app with maintenance requests.

First question: Do you prospect apartment communities with resident experience issues?

Fallback: Backup support@[livly.io](mailto:support@livly.io).

#14 Tier B

1-866-729-5327

Medium confidence

Zego

Website: gozego.com

Ask for: Sales / resident experience sales

Why they might care: Resident workflow and maintenance request system.

First question: Do Texas resident-workflow pain signals help your prospecting?

Fallback: Official support line; ask for sales.

#15 Tier B

1 (888) 883-8046

High confidence

SnapInspect

Website: snapinspect.com

Ask for: Sales / partnerships

Why they might care: Inspection and property maintenance workflows.

First question: Would inspection/move-in condition complaint leads be useful?

Fallback: Backup contact@snapinspect.com.

#16 Tier B

+1 800 321 8770

High confidence

MRI Software / MRI Angus

Website: mrsoftware.com

Ask for: MRI Angus sales / building maintenance sales

Why they might care: Enterprise building maintenance and work-order system.

First question: Who handles lead data or partnerships for MRI Angus?

Fallback: Large company: expect routing.

#17 Tier B

+1-888-607-3667

High confidence

DoorLoop

Website: doorloop.com

Ask for: Sales / partnerships

Why they might care: Broad PMS with AI maintenance/work orders.

First question: Do you want Texas apartment operators with public maintenance complaints?

Fallback: Backup USA number +1-786-373-5842.

#18 Tier B

877-396-7876

High confidence

Buildium

Website: buildium.com

Ask for: Sales / partnerships

Why they might care: PMS with maintenance requests and contact center.

First question: Who reviews prospecting data partnerships for Buildium sales?

Fallback: RealPage-owned, second wave.

#19 Tier B

(888) 702-0971

High confidence

ResMan

Website: myresman.com

Ask for: Sales / partnerships

Why they might care: Multifamily PMS with maintenance and resident portal.

First question: Would Texas operational-pain account lists help ResMan reps?

Fallback: Texas-linked broad PMS.

#20 Tier B

866.648.1536

High confidence

AppFolio

Website: appfolio.com

Ask for: Sales / partnerships

Why they might care: Large PMS with maintenance and resident service.

First question: Who handles sales intelligence or lead partnerships?

Fallback: Large company; use after sample is strong.

#21 Tier B

(800) 866-1144

High confidence

Yardi Breeze

Website: yardibreeze.com

Ask for: Sales / partnerships

Why they might care: Large PMS serving residential portfolios.

First question: Who reviews new account intelligence for Yardi Breeze sales?

Fallback: Large company; likely hard to route.

#22 Tier B

1.800.700.2097

High confidence

Entrata Facilities

Website: entrata.com

Ask for: Facilities product sales / partnerships

Why they might care: Facilities app for maintenance work orders and inspections.

First question: Would Texas properties with visible maintenance complaints be useful?

Fallback: Backup sales@entrata.com.

#23 Tier B

1 (833) 767-8736

High confidence

SmartRent / SightPlan

Website: smartrent.com

Ask for: Sales / SightPlan or operations sales

Why they might care: Smart operations, resident service, tasks, inspections.

First question: Who handles sales data for property operations products?

Fallback: Backup help@sightplan.com.

#24 Tier C

+91 98848 02586

Low-medium confidence

Facilio

Website: facilio.com

Ask for: Sales / partnerships

Why they might care: Enterprise property operations; less apartment-specific.

First question: Do you sell into US multifamily, or mostly commercial facilities?

Fallback: Low priority unless they confirm multifamily.

#25 Tier C

+1 (844) 664-4400

High confidence

FMX

Website: gofmx.com

Ask for: Sales / property management vertical

Why they might care: Facilities and maintenance management.

First question: Do you actively target apartment or property management companies?

Fallback: Less apartment-specific.

#26 Tier C

+1 (775) 210-5128

High confidence

Limble CMMS

Website: limblecmms.com

Ask for: Sales / property management use case

Why they might care: Broad CMMS, lower apartment specificity.

First question: Do you have a multifamily/property management vertical?

Fallback: Only pursue if they say yes.

#27 Tier C

+1 (323) 880-0280

High confidence

UpKeep

Website: upkeep.com

Ask for: Sales / property management use case

Why they might care: Broad CMMS with property management use case.

First question: Do you have a team selling into multifamily or apartment operators?

Fallback: Lower priority than apartment-native vendors.

#28 Tier C

415-548-4001

High confidence

MaintainX

Website: getmaintainx.com

Ask for: Sales / property management use case

Why they might care: Broad maintenance ops software.

First question: Do you sell into apartment maintenance teams or mostly industrial?

Fallback: Lower priority unless they confirm multifamily.

#29 Tier C

1-888-666-1855

Medium confidence

HappyCo

Website: happy.co

Ask for: Sales / multifamily maintenance sales

Why they might care: Good maintenance automation fit; support phone may route poorly.

First question: Who handles new sales for HappyCo maintenance automation?

Fallback: If support-only, find sales email/person later.

#30 Tier C

(888) 333-4617

High confidence

eWorkOrders

Website: eworkorders.com

Ask for: Sales / property management vertical

Why they might care: Property maintenance CMMS, not fully multifamily-specific.

First question: Do you want property management maintenance leads in Texas?

Fallback: Good second-wave call.

Confidence guide: High = official site/help/contact/terms. Medium = public app listing or support line. Low = third-party public listing, verify before repeated calls.
